FISHING EXCURSIONS

These seasonal excursions led by the resort's guides allow you to explore the ocean's depths aboard a charter boat. Refreshments are included and the boat comfortably accommodates up to 6 anglers.

Deep Sea Fishing

Take a chartered trip to Mengalum Island, where history lends itself back in time to the 16th century and is associated with the voyage of Ferdinand Magellan across Asian waters, for a unique fishing excursion. Located about 20 nautical miles away, it is also the pre-designated game fishing area for the annual Sabah International Fishing Tournament whereby participating anglers are restricted to only fishing within 20 miles radius around the island. Species that can be encountered include wahoo, dorado, tuna, giant trevally, barracuda and even rainbow runner. Billfish like marlin and sailfish are rare but can be spotted occasionally. *Inclusions: Return boat transfer, trolling tackles, skirted lures and tackles for bottom fishing, packed lunch and mineral water.*

TIME Depart from resort jetty at 6:30am | DURATION 9 hours | One day advanced reservation required | RM700 nett per person or from RM4,800 nett per boat charter for 10 persons

Leisure Fishing

A wide variety of marine and inland fishing spots offer a plethora of fish species and present the casual angler with an opportunity to discover one of the world's top fishing destinations. Anglers can test their skills at nearby island waters with depths of more than 150 metres and attempt to catch amberjacks, ruby, kerisi bali or black grouper species. *Inclusions: Return boat transfer, standard fishing equipment, bait, refreshments and mineral water for a 3 or 5 hour trip. One meal and a complimentary 30 minute snorkelling session is included for a 5 hour trip.*

DURATION 3 or 5 hours | One day advanced reservation required | Minimum 4 persons | 3 hour trip: RM300 nett per adult, RM 195 nett per child aged between 4 – 12 years old | 5 hour trip: RM410 nett per adult, RM300 nett per child aged between 4 – 12 years old

GAYA ISLAND RESORT MARINE CENTRE

Housed at Tavajun Bay, the marine centre advocates 3 key conservation themes - Turtle Rescue, Coral Reef Restoration and Conservation Through Education. Our Resident Marine Biologist and dedicated team work with equally passionate partners, championing initiatives to protect marine life, raise awareness for sustainable seafood choices and aim for pollution-free waters. Drop by and find out more about our efforts.

Daily scheduled boat transfers between resort jetty and Tavajun Bay | All ages welcome | Complimentary

BORNEO CRAFTWORKS

With over 32 ethnic entities in Sabah, handicrafts lend an insight into the cultural identity and history of each group. Each craft is unique to their ethnicity like brightly hued beadwork for the Rungus while the Kadazandusun are notable weavers using plant fibres to make products. Try creating your own handicraft memento with our talented stars.
